CONTINUATION RE:
Esteban GOMEZ-Armendariz

I declare under the penalty of perjury that the following statement is true and correct.

On March 27, 2008 at approximately 4:25 p.m. Border Patrol Agent J. F. Murphy, was performing stillwatch duties at the U.S.-Mexico international boundary about 5 miles west of the San Ysidro, California Port of Entry. He was notified, via radio, that a suspected illegal alien had entered the United States from Mexico near his position at an area known as "Sony Split" and was using a ladder to scale the secondary fence. Agent Murphy responded to the area and observed an individual entangled in the concertina wire on top of the secondary boundary fence. Agent Murphy identified himself as a Border Patrol Agent and conducted an immigration interview of the subject. The subject identified himself as GOMEZ-Armendariz, Esteban a citizen and national of Mexico, who was present in the United States illegally. GOMEZ was placed in custody and transported to the Imperial Beach Border Patrol station for processing.

At the station GOMEZ' fingerprints, photographs, and biographical information was entered into the D.H.S. alien processing system. The system immediately identified GOMEZ by as individual who had been previously apprehended three prior times and was granted a voluntary return in San Diego Sector from Yuma Sector on February 18, 2008.

Executed on March 29, 2008, at 9:00 a.m.

Carlos R. Chavez
Senior Patrol Agent

On the basis of the facts presented in the probable cause statement consisting of 1 pages, I find probable cause to believe that the defendant named in this probable cause statement committed the offense on March 27, 2008, in violation of Title 8, United States Code, Section 1325.
